You have 30 amazing designs to choose from. Each of the cards has eye-popping 3-D designs. There really is a card for everyone in the book. I love the fact they aren't all designed for a specific event. This means you can choose a design that you know the recipient will love. Each of the designs has templates at the back of the book and with each project there are step-by-step instructions as well as pictures. All the designs are quite simple to create but have an amazing affect. People will be in awe of who you can

create. I don't think there is a single card that I don't want to make. I'm already waiting for my card to create a beautiful mothers day card for my mum. Cards; Wedding Birds Pot of Flowers Fiesta Bird Box Knight's Fortress Fox on the Hillside Wreath Heart Bike Rides Bee Honeycomb Medieval Castle Christmas Tree Water Lillies Penguin Carousel Ocean Tunnel Snail on a Leaf Hot Air Balloon Daffodil Cupcake Kitty Let's Travel Yellow House Flying Swallow Heart Gift Box Sunday Driver Hillside Village Winged Dragon Exploding Robot Spinning Flowers Dutch Windmill Bird in a Cage Fun, interesting and amazing projects.
