Denise Brown : Paper Flowers: 35 beautiful step-by-step projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paper Flowers: 35 beautiful step-by-step projects:

4 of 6 people found the following review helpful. Beautiful, different, artistic By GoldRushGal These flowers are beautiful, can't wait to make some of these. So different from other paper flowers I have seen. Really works of art. 2 of 4 people found the following review helpful. Five Stars By ria Great book, great service 0 of 0 people found the following review helpful. Paper Flowers 101 By RegentX It is a good introduction to paper flower crafting, with projects inspired by nature. The illustrated step by step instructions are easy to follow, with a short very affordable materials list. Projects are simple enough so that you won't get frustrated and quit halfway through. It will not give you exactly lifelike flower reproductions (just simpler designs) and it's a doorway to other books that help you to take it further. By the time you've finished this book, you should know if you want to try advanced papercraft.

Have you ever wished you could afford to fill your home with flowers all year around? Now you can. Papercraft expert Denise Brown has designed 35 exquisite projects using techniques such as simple origami, layered decoupage, papier maché, and quilling. The papers she uses range from everyday giftwrap, colorful pages torn from glossy magazines, paper napkins, and tissue paper to handmade paper, parchment paper, and crinkly crepe paper. You can display the flowers in vases, create bouquets and posies to give as gifts, use them to decorate gift boxes and greetings cards, or create wall hangings and window displays. There are delicate sprays of springtime catkins and oversized pompom flowers, cheerful daisies sitting in a field of paper grass, a wreath made from ferns and leaves, and spectacular water lilies created from tracing paper colored with chalk. Whether your taste is for garden favorites, such as daffodils and sweet peas, wild flowers, such as poppies and thistles, or classic beauties, such as lilies and roses, here you will find the perfect project.

About the Author Denise Brown studied graphic design and began her career in book design and packaging, before becoming creative director of her own company. Crafting has always been one of her passions and she now teaches a range of crafts, including papercrafts, drawing, and painting. Denise is the author of *Paper Jewelry* and *101 Things To Do with An Envelope*, both published by CICO Books. The author is based in Seattle, WA.
