Carol Pyles : Paper Vinyl Crafting Design Journal: A Cricut Silhouette Users Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised Paper Vinyl Crafting Design Journal: A Cricut Silhouette Users Companion:

For the crafter that can not remember what fonts or materials they used on a project. Keep your project notes all organized in one central location in this attractive journal. Never stress again over duplicating a project. Keep your notes here and they will always be ready to keep you crafting.

About the AuthorCarol Pyles lives in Florida with her husband and two sons. Addicted to crafting which takes up way

too much of her space and time, but it's what she loves. She also owns several websites from crafting with her Cricut to teaching others how to coupon, there is never a moment not spent working on a project.
