Dorothy Wood, Emma Angel, Joanne Sanderson : Papercrafts (Instant Expert) before purchasing it in order to gage whether or not it would be worth my time, and all praised Papercrafts (Instant Expert):

This title provides a host of contemporary paper and up to the minute craft equipment ideas to suit crafters of all ages and experience. Traditional papercrafts such as Papier mache, decoupage, origami, and paper weaving are combined with modern cutting techniques, stitching ideas embellishments, and fabulous colours to create gorgeous stationery, storage ideas and fashion accessories. Stylish design ideas bring papercraft into the 21st century, with stitched paper corsage, woven bag, and rolled paper bead accessories, vases, trays and baskets for the home and a range of stationery cards to writing sets and a family photo album.

About the AuthorEmma Angel has spent many years supplying cards to The Conran Shop, Libery and John Lewis,

She is the Author of Papercraft and Pop-up and 3 D cards (both Collins and Brown) and regularly contributes to British craft magazines such as Popular Crafts, Creative Papercraft and Papercraft Inspirations. Dorothy Wood, is a prolific craft author having written over twenty world wide selling books on a range of subjects including jewellery making and papercrafts. She regularly designs projects for British Papercraft magazines such as Card Making and Papercraft, Quick Cards made easy and Beautiful Cards. She has Written a number of books for MQP including Simple Style Paper and Simple Style Gifts. Joanne Snaderson, designs cross-stitch patterns for various magazines including Card Making and Papercraft and Craft Creations and Craft companies and has written two books of Cross-stitch designs.
