**Sarah Dennis : Papercut Wilderness (Make It By Hand)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Papercut Wilderness (Make It By Hand):

A beautiful nature-themed book that introduces lovers of adult coloring books to their next stress-relieving and creative outlet: papercutting. Be inspired to create delightful paper cutouts of birds, animals, butterflies, and detailed scenes with this nature-themed craft book, printed on high quality paper stock. Within these pages you'll find everything you need to immerse yourself in the world of papercutting and the only thing you'll need to supply is a crafting knife. Challenge yourself with twenty beautiful projects, each with easy-to-follow, step-by-step instructions that will satisfy beginners and experts alike. You'll also discover thirty templates that you can either trace onto the card stock of your choice or cut directly from the pages to produce more gorgeous creations.

About the Author Sarah Dennis works as a full-time artist and illustrator. She completed a degree in illustration at the University of The West of England. Her work combines traditional scherenschnitte (paper cutting) with collage. Judith
