**Cesare Vecellio : Pattern Book of Renaissance Lace: A Reprint of the 1617 Edition of the "Corona Delle Nobili Et Virtuose Donne"** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pattern Book of Renaissance Lace: A Reprint of the 1617 Edition of the "Corona Delle Nobili Et Virtuose Donne":

1 of 1 people found the following review helpful. Awesome Pattern BookBy welshyAs a historical reconstructionist, I love when I can find original patterns to create lace from. This pattern book is a reprint of a book that was published in the early 1600s, and it includes the two printings from the late 1500s. As so, it only has the patterns, but no content on how to construct the lace.This is a valuable resource for anybody who knows how to make Reticello or Punta in Aria (needle) lace, and who wants to do some of the original patterns.
