before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paula Vaughan's Quilts From the Garden (Leisure Arts #3271) (Paula Vaughan Collection):

1 of 1 people found the following review helpful. Nice book By Adriana Maria Soler For a personal who loves stitching, this is a book you have to keep. High quality and very nice designs.

Remember the fresh smell of Grandmother's just-washed quilts mixing with the scent of daffodils, lilies, or roses on a sunny day? Paula Vaughan does. Her twelve cross-stitch quilts in garden settings will inspire you with their beautiful

floral patterns.
