Five StarsBy Ann WickenhauserWorks into my collection nicely0 of 0 people found the following review helpful. Good tracking. ExcellentBy ToyonBrand new book. Shipped promptly. Good tracking. Excellent, informative and helpful content.

Pelargoniums are renowned for their vibrant flowers, pretty leaves and rich aromatic scent. This book takes you through the simple techniques of growing and propagating these decorative plants, and illustrates the most popular cultivars. Everything you need to know at a glance in one handy and magnificently illustrated practical guide.

About the Author Blaise Cooke has worked as a garden advisor and horticulturist for many years. She was trained at the Royal Botanic Gardens in Kew, England, and has considerable experience working at nurseries and botanic gardens in both Europe and the tropics. She has written or contributed to many gardening books.
