Nancy Szerlag, Alison Beck : Perennials for Michigan before purchasing it in order to gauge whether or not it would be worth my time, and all praised Perennials for Michigan:

0 of 0 people found the following review helpful. A terrific book for any gardener. By Sandra L. This is a great book written by a very knowledgeable and practical woman. It's already one of my favorites and spring is months away. I'm going to have to buy another for my sister who keeps "borrowing" it. 0 of 0 people found the following review helpful.

Must have for perennial lovers!By CustomerLove this book! So much good information. My sister had it and let me borrow but I just had to have my own!0 of 0 people found the following review helpful. Perennials in MichiganBy Horse LadyGood book for gardeners in Michigan. Identifies Perennials and has great photos/illustrations to help you understand plantings.

Perennial gardening can be easy, fun and rewarding, especially when you have this beautifully illustrated guide at your fingertips. With detailed accounts of 84 different perennials, along with information on 681 recommended varieties and cultivars perfect for Michigan gardens, this book takes the guesswork out of perennial gardening. The authors' common sense and garden wisdom will help you transform any patch of ground --wet or dry, sunny or shady, lakeside or inland--into a spectacular garden you can enjoy year after year:* Flower and foliage colors* Height and spread ranges* Blooming periods* How and when to start your plants* Planting strategies* Light, water and nutrient needs* Choosing the best perennials for different growing conditions* Over 500 color photographs.

We've only had our two copies for a month now, but we've turned their pages endlessly and hauled them everywhere and still can't find a flaw or shortcoming. --Saginaw NewsWe've only had our two copies for a month now, but we've turned their pages endlessly and hauled them everywhere and still can't find a flaw or shortcoming. --Saginaw NewsWe've only had our two copies for a month now, but we've turned their pages endlessly and hauled them everywhere and still can't find a flaw or shortcoming. --Saginaw NewsAbout the AuthorNANCY SZERLAG is the popular weekly gardening columnist for the Detroit News. A certified Master Gardener, Nancy is also a popular guest speaker at garden shows and clubs throughout Michigan.ALISON BECK has gardened since she was a child. She has a diploma in Horticulture and a degree in Creative Writing.
