Plutarch : Pericles (Another Leaf Press) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pericles (Another Leaf Press):

Plutarch's classic biography of Pericles, translated by John Dryden.

About the Author About the Introducer VICTOR DAVIS HANSON has written extensively on both ancient Greek and military history; his fifteen books include *The Western Way of War* and *Between War and Peace*. He is a senior fellow at the Hoover Institution, Stanford University, and a professor of classics at California State University, Fresno. "From the Trade Paperback edition.
