Fin McNiel : Peyote Patterns Made Easy (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Peyote Patterns Made Easy (Volume 1):

Peyote Patterns Made Easy is a fun collection of peyote patterns that have been charted out with "Bead by Bead" instructions. This allows the beader an easy introduction to using patterns and for the novice or experienced peyote stitch lovers a fast and comprehensive method to create any of these projects.
