Photography is pretty good, material lists seem to be complete, and instructions seem to be clearly written. I have not tried to make any of the projects yet. 0 of 0 people found the following review helpful. Beading projects from early Bead Button publications By Cynthia E. Ledbetter Rather dated, this book has some good patterns for novice beaders. It is particularly good for folks who don't have access to a collection of Bead Button Magazines. 0 of 0 people found the following review helpful. Four Stars By nmartnice designs

Beginning with a simple lariat made with a flat strip of peyote, Peyote Stitch Beading Projects includes projects and

techniques for beaders of all levels, even absolute beginners. With more than 25 of the best peyote projects from BeadButton magazine, this book has something for every taste. Step-by-step instructions, illustrations, and photos guide readers through a wide variety of peyote techniques, including 2- and 3-drop, ruffled, and spiral peyote. Directions for bracelets, necklaces, pins, purses, and home decor objects fill this inspiring volume.
