Anna Hrachovec : Pigs with Wigs: E-Pattern from Knitting Mochimochi (Potter Craft ePatterns) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pigs with Wigs: E-Pattern from Knitting Mochimochi (Potter Craft ePatterns):

0 of 0 people found the following review helpful. Fun to make! By Cassandra E Doctor This was the perfect way to try a mochi mochi pattern. The pig I made was so cute. The pattern was easy to use and follow. I would recommend this book to anyone who has beginning to intermediate knitting skills and has a good sense of humor!

This is what happens when you let the pigs get into the piggy bank. Such extravagance is appalling! Included are 4 designs for interchangeable wigs an awesome afro, magnificent mohawk, beautiful beehive, and buxom bob. Suggested

materials include 4/medium (worsted) yarn, a set of 6-inch US size 6 (4.0mm) double-pointed needles, stitch marker, safety eyes (size 9mm), tapestry needle, and stuffing.
