Barbara M. Siedlecki : Pinwheels, A Collection of Projects to Get You Spinning before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pinwheels, A Collection of Projects to Get You Spinning:

Pinwheels are among the best loved quilt patterns. This book of ten projects for all skill levels will have you "spinning" in no time. Illustrated instructions will lead you through any or all of the projects easily and completely. Quilting and design tips as well as charts to help you design your own projects are included. Whether you like wall hangings, quilts, tote bags, placemats or bookcovers or just want to design your own pinwheel project, this is the book you will want to add to your library.

About the Author Barbara Siedlecki has been involved in quilting both as a designer and as a teacher for many years. Through her company, Cabin Fever Crafts, she has published over 40 patterns for wall hangings, quilts, tote bags,

boxes, and other decorator items as well as two books. She has also designed over 140 patterns for a leading stencil manufacturer. Her notions are innovative and designed to make quilting more accurate and efficient. She is known for her Seminole Patchwork, "Contemporary" Celtic and pieced designs. She has written articles for several magazines including Quilter's Newsletter, Ladies Circle Patchwork Quilts and All-American Quilts and was the Question and Answer columnist for Ladies Circle Patchwork Quilts until the magazine ceased publication. Her teaching credentials include several years at the International Quilt Festival as well as classes in the U.S. and Canada.
