PowersI have been using my neighbor's copy and was feeling it was time to have my own - so many great patterns. Kim Hargreaves is a great designer for cool kid's knits. The seller was excellent - prompt service and book was 'gently' used, as promised.0 of 0 people found the following

Here's a beautiful collection of unique, easy-to-make sweaters, hats, mufflers, blankets, and other lovely knitwear designs for children, newborn to age 10. Plus, it's all explained with clear, simple instructions and targeted for a range of skill levels.
