The patterns are well written. 0 of 0 people found the following review helpful. loving the patterns By Britney Ann Stone Super cute patterns and so much fun to make! my son loves them! thank you for offering this pattern book. 1 of 1 people found the following review helpful. I made The Frog and the Princess and it came out better than what I thought it would By Paula This book is more than what I expected. I made The Frog and the Princess and it came out better than what I thought it would..I can not wait to make the rest of them

These adorable stacker toys are comprised of three rings and a doll base. The rings are three different sizes and made to look like a baby bottle, a barn and a cow, a baker with donuts, a race car driver with a car, a princess and a frog, and

an alien with a space ship. All are made using worsted-weight yarn and are stuffed with fiberfill. The stackers are 11 inches tall when completed.

About the Author Donna Collinsworth is a crocheter and a pattern designer. She lives in Galena, Illinois.
