Pratapaditya Pal, Janice Leoshko, Stephen Markel : Pleasure Gardens of the Mind: Indian Paintings from the Jane Greenough Green Collection before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Pleasure Gardens of the Mind: Indian Paintings from the Jane Greenough Green Collection*:

This book documents an exhibition at the Los Angeles County Museum of Art. Demonstrating the richness and stylistic variety of Indian pictorial tradition, it assists in understanding subjects unique in Indian Art.

The Indian paintings featured herein were created mostly by unknown artists between 1550 and 1850: members of ruling families and others who constructed their worlds and dreams in complex, detailed scenes. Paintings here are from the Jane Greenough Green collection and document an exhibition at the L. A. Museum of Art. -- Midwest Book
