Kristen Rask : Plush You!: Lovable Misfit Toys to Sew and Stuff before purchasing it in order to gage whether or not it would be worth my time, and all praised Plush You!: Lovable Misfit Toys to Sew and Stuff:

0 of 0 people found the following review helpful. What a lovely book, filled with cuteness and creativity! By A. Alloy-McFarlin I might be a bit biased, since I've had work in the Plush You! shows, but I thought this book was great! It was nice to read about the beginning of Plush You! and to see some works that were in the shows in the beginning. The creativity of the pieces, and the writing of the book are both wonderful. I'm glad to have this! 6 of 6 people found the following review helpful. Don't Judge This Book By It's Cover By Erin Nelson The pictures on the cover were deceptively cute, however this book has only a few, not-so-adorable softie patterns inside. If I were a pro at making plush toys I might be able to make some of the cute softies from pictures alone. The buyer must realize that this book is meant to be inspirational, but does not offer much knowledge on how to make the projects it displays on it's pages. 0 of 0 people found the following review helpful. Cool ideas but almost no instruction and no patterns By Becky Cool ideas but almost no instruction and no patterns. I was thinking it would be a how to but I was mistaken.

Take this plush and STUFF IT! Plush You! invites you into a world of more than 100 lovable#151in a three eyes, ten arms, USO (unidentified stuffing object) sort of way#151handmade toys to sew and stuff. Soon you, too, will be a softie when you fall for: Wiggle, the Sweater-Wearing Tooth, who lives next to your sweet tooth and hides from his arch enemy...toothpaste. Foxley Bagel, whose best friend is a fish who thinks Foxley is also a vegan. But, Foxley keeps

a few secrets in his tail. The Cockeyed Sock Monkeys who have perfect vision in one eye and never take it off of you.
