4 of 4 people found the following review helpful. If canes aren't your thing...By DeadlyD Then this might be the book for you. Projects are outside the box albeit a bit "craftsy" at times. Instructions are clear and easy to follow. 0 of 0 people found the following review helpful. Definitely more for the "crafty" crowd rather than polymer clay ...By Anna Shaw Definitely more for the "crafty" crowd rather than polymer clay artists. More of a beginner's book. Projects and results are amateurish. 14 of 16 people found the following review helpful. Amazing Book with new ideas By Karen

Saari When the title says 'new techniques' it is spot on! The projects are beautiful, the directions easy to follow and the new techniques will be fun to learn - and they look easy to do, but not hard to do! I just received this book yesterday, and today I plan on diving in and trying a few new things.
