I purchased these Polymer Clay books for the activity room ...By Patricia Ann WescottI purchased these Polymer Clay books for the activity room where I live. I live in assistive living and assist the group leader.0 of 0 people found the following review helpful. Five StarsBy LINDA HANKSGreat book2 of 2 people found the following review helpful. Polymer ClayBy K. BonneyI was expecting a book to show me in detail how to create pieces in polymer clay. With great pictures, and wonderful step by step instructions. I got all I was hoping for. I refer to the text,and pictures many times to help me create the desired effects I am looking for. I would recommend this book for beginners, and all interested in polymer clay.

Make pretty home accessories using polymer clayA special collection highlighting material from some of Quarry's popular books about polymer clay art, this book will present a wide spectrum of the latest techniques and materials with many of the leading artists in the field. Learn how to create beautiful boxes, pendants, vases, wind chimes, book covers, jewelry and much more

About the AuthorEllen Marshall has worked with polymer clay for more than a decade, and has been teaching her techniques for four years. Her work has been displayed at an exhibition produced by Donna Kato and Van Aken

International, and in the studio and fabric store of Lonni Rossi, a nationally renowned fabric designer and quilt artist. Ellen lives in Philadelphia, Pennsylvania.
