Shirley Rufener : Polymer Clay Mixed Media Jewelry: Fresh Techniques, Projects and Inspiration before purchasing it in order to gage whether or not it would be worth my time, and all praised Polymer Clay Mixed Media Jewelry: Fresh Techniques, Projects and Inspiration:

2 of 2 people found the following review helpful. This is a great book! I have several polymers clay books and ...By Alia Lin KealohaThis is a great book! I have several polymers clay books and this one, by far, has the most detailed instructions for interesting and unusual pieces. I can highly recommend this book!7 of 7 people found the following review helpful. Book delivers on its titleBy bdbearI recently purchased this book to add it to my PC collection which is quite extensive. I was pleasantly surprised to see that there are indeed some fresh techniques in the book, enough to keep you busy and also inspire your creativity. The pictures and instructions are clear and the finished pieces look

professional. I would recommend this book to beginners and advanced clayers alike. 3 of 3 people found the following review helpful. Great Book but....By Jill L. Henderson
Awesome techniques in here, lovely pictures with easy to follow instructions great for a new clay artist as well as seasoned folk. I'm no English expert, but when I buy a book I expect it to be mostly error free. Am I asking too much? This book is riddled with spelling, grammatical, and just plain errors in formatting. I would recommend it if you can look past that stuff.

Polymer clay is one of the most versatile craft projects on the market you can cut, carve, stamp, mold, sculpt and add texture, all to create individualized jewelry. With easy-to-follow step-by-step instructions, and the author's can do attitude, success is a sure bet. Shirley Rufener will guide you through basic techniques and 25 projects. Discover how to simulate the look of glass, enamel, fine porcelain and chalked ceramics, without the use of an expensive kiln. As a bonus, techniques include creating your own homemade, translucent, custom rubber stamps to use on clay and for traditional rubber-stamping."

About the Author
Shirley Rufener has been the Craft Expert on the popular AM Northwest morning show for the past 7 years. She designs new projects every month, to air live on KATU Channel 2 (ABC affiliate for the Pacific Northwest). She has also appeared on national shows such as The Carol Duvall Show, The Creative Life Show and Home Shopping Network. Shirley also has years writing how-to craft articles for magazines, books and in-store project sheets. She also teaches craft classes, and is a lifetime certified demonstrator with CHA. She resides in Brookings, Oregon.
