**John Ayers, Oliver Impey, J. V. G. Mallet : Porcelain for Palaces: The Fashion for Japan in Europe 1650-1750 (English and Japanese Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Porcelain for Palaces: The Fashion for Japan in Europe 1650-1750 (English and Japanese Edition):

0 of 0 people found the following review helpful. 17/18th Century Porcelain GuideBy Brian ORichly illustrated with hundreds of color photographs and excellent descriptions. This books covers the much neglected 17th-18th Century Japanese export porcelain trade (most books focus on Meiji and later). Excellent description and information on the Japanese export trade. I highly recommend this book to anyone with interest in early Japanese porcelains.0 of 0 people

found the following review helpful. Five StarsBy Menno Gnoddevery good.

The catalogue of an exhibition organised jointly with the British Museum in the New Japanese Galleries, 6th July to 4th November 1990. 372 objects are described and illustrated, almost all in color. 17 figures accompany the text.
