I have tons of fiesta ware. However, the history was interesting--could have read about that on the web.1 of 2 people found the following review helpful. Old and doesn't helpBy Nicole AnthonyNot worth money.0 of 1 people found the following review helpful. Five StarsBy mamazoonaNice book, good shape.

This book focuses on 'new' Fiesta, or what some collectors call 'post 86' Fiesta. Somewhat different than the 'old' Fiesta, post 86 Fiesta maintains the historical dignity and the beautiful Deco design philosophy of Frederick Rhead. Candleholders, plates, vases, tumblers, platters, teapots, and coffeepots are all included in this pocket-size handy

reference. Decaded new Fiesta is covered, including the Sunporch, Moon over Miami lines, and the MegaChina offerings. Approx. 200 detailed color photos.
