The project was not one I was particularly invested in. But it gave me directions on how to do the project so it met its purpose. I would have rather spent my money on a book that was on something I really wanted to do. So if you are into postcards, this might be the book for you.0 of 0 people found the following review helpful. Great booksBy John MashakBetter quality than noted, always happy with books from them0

Revive the art of correspondence and drop a line that's so attractive. Create interesting postcards with paper and fabric to send to your friends.

About the Author Cheryl Haynes has crafting in her blood: her parents were basket makers and her grandmothers were quilters. She has designed well over 300 patterns and books. She has had quilts displayed in Calendars and various quilting magazines. She began her business by hand crafting oak and reed baskets, designing patterns for dolls and quilted wall hangings. Today she runs the Prarie Grove Peddler, a pattern website.
