**William C Ketchum Jr. : Potters and Potteries of New York State, 1650-1900 (New York State Study)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Potters and Potteries of New York State, 1650-1900 (New York State Study):

0 of 0 people found the following review helpful. Must-Have Source for the CollectorBy Swift 37Outstanding publication for the stoneware collector. It is an invaluable resource.2 of 2 people found the following review helpful. Early New York State pottery makersBy Mark A. PaulExpensive, but all encompassing. If you are a collector, you will save the price of the book on your first couple of purchases. I highly recommend this work. I greatly helped my wife and I identify pieces we owned and then what to look for.

626 page paperback book on pottery from one of the cities with the best pottery museum (The Everson in Syracuse). Published by Syracuse University Press, this title includes chapters on ingredients and descriptions...

From the Back CoverWritten by an experienced antiquarian, this book explores the history of utilitarian pottery production in New York State, beginning with the Dutch in Manhattan. The subject matter ranges across the entire state, from Long Island and the Mohawk and Hudson valleys, to the St. Lawrence, Lake Erie, and the Southern Tier.
