Clifford Hilliard : Pottery : A Beginner's Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pottery : A Beginner's Handbook:

0 of 4 people found the following review helpful. pottery book By James V., Gerardi Pleased with arrival time of the book. The book was in fair condition but it was used so I didn't expect it to be new. I do recommend this seller.....0 of 1 people found the following review helpful. Five Stars By Jayline Alvarado A+ 0 of 2 people found the following review helpful. great information I have made ceramics in the past and ... By Mrs Johnson great information I have made ceramics in the past and I am now going to get credit for the work that I have already done!

How-to photo sequences demonstrate projects and procedures for making glaze test cylinders, molded pots, pinch pots, slab mugs, and simple thrown pots. Included are review questions and quizzes with answers, a glossary, a reading list,

and index.
