Sandra Betzina : Power Sewing Step-by-Step before purchasing it in order to gauge whether or not it would be worth my time, and all praised Power Sewing Step-by-Step:

3 of 3 people found the following review helpful. A Great Choice By Kitti Gal This book contains great information on garment construction as it shows the order by which a garment should be sewn along with other pertinent details. Look beyond the dated designs on the cover and in the book, the techniques are timeless and are clearly illustrated via pictures. This book is a keeper. 5 of 5 people found the following review helpful. For the Intermediate Sewist By CLB This is a good book if you are an intermediate sewist. It will improve your sewing skills, and help your projects come out a little more polished. 111 of 113 people found the following review helpful. Great book, buy the spiral-bound copy! By GrandmaBlondie This is NOT a book for beginning sewers - the writer assumes you know the basics of sewing and garment construction. I love all of the ways she shows how to make clothing special - Sandra's examples are classy, but not fussy. There are a lot of useful things like different ways to improve your zipper installation,

classier facings, linings (Like WHY to line pants, for instance), easy bound buttonholes, nicer hems, when you should take the time to hand sew, when you can cheat... Basically she is teaching the reader how to make ordinary home-sewn clothing extraordinary using the best techniques. Good section on improving fit, pretty much all useful info.

Sandra Betzina not only demystifies the making of beautiful garments that fit ... she inspires a love of sewing itself. A contemporary classic, *Power Sewing* is clearly written with detailed photos; it guides the reader through every facet of garment construction with ease.

About the Author Sandra Betzina is best known as the dynamic host of HGTV's *Sew Perfect*. She is also the author of *Fast Fit*, *Power Sewing*, and *Sandra Betzina Sews for Your Home*, all published by The Taunton Press. Sandra also creates a line of garment patterns for *Vogue* called *Today's Fit by Sandra Betzina*, teaches sewing workshops and retreats, offers online classes, and more. She lives in San Francisco, CA.
