1 of 1 people found the following review helpful. It is fun and easyBy Kruela EdisonNew products, new methods, new ideas. New hobby I wanted to try and this was the way to go. It is fun and easy.Thanks to this book.0 of 0 people found the following review helpful. Traci is on point!By mari morrisWhat can I say! Traci and I are kindred spirits. Many of her techniques I have done for years just never put it in writing. There are still some techniques I've done that haven't been discovered quite yet. I purchase these books because I like to keep up withWhat New". however, I find that we are basically on the same page. Good for you Traci Batiste27 of 30 people found the following review helpful.

More than Eye Candy...By R. ScheidingI think this book will provide a great source of inspiration and information to anyone who has a creative background in the arts, as well as those who are relative beginners. My only "criticism" is that the book is not spiral bound. In my opinion, all art instruction books should have this feature...the Queen has spoken.

Unleash your inner artist and join Traci Bautista as she shares inventive ideas for making marks with handmade tools, nontraditional materials and simple DIY printmaking techniques. Pulsing with exploration and whimsy, *Printmaking Unleashed* features 60+ step-by-step demonstrations and countless possibilities for creating original prints, fabrics, art journal pages, mixed-media collage, and so much more. **WHAT'S INSIDE...**Tools Galore! Create a variety of handmade mark-making tools and texture plates using everything from encaustic paints, Collage Pauge and chipboard letters to modeling compound, needlepoint canvas and recycled cardboard. **Mix-and-Match Techniques!** Discover digital and traditional techniques for producing one-of-a-kind monoprints. Start with the basics, then build up layer after luscious layer of color and texture. **Pure inspiration!** Every page offers new ideas, original artwork and creative jumpstarts. Flip through the pages and learn how anything with interesting texture or shape (rubber bands, vintage lace, the bottom of a bottle) can be incorporated into printmaking for exciting, unique effects. You will never look at a toothpick, freezer bag or plastic zip tie in the same way again!

"It is pure inspiration on painting, printing, stamping, and collaging." --Courtney, Artists Daily
