Priscilla Publishing Co. : Priscilla Armenian Lace c.1923 - Rare Needle Lace Techniques before purchasing it in order to gauge whether or not it would be worth my time, and all praised Priscilla Armenian Lace c.1923 - Rare Needle Lace Techniques:

0 of 0 people found the following review helpful. Very nice guide! By knitcrotatter Clear concise, very detailed illustrations and photos (black white). Also includes a little history on the origins of this lace, which was interesting. Can't wait to give this beautiful lace a try! Peace, Liz 5 of 7 people found the following review helpful. Armenian lace?! So rare and beautiful! By Jane in Milwaukee I will never, ever learn this technique because I don't know who teaches it. However, just look at several of the titles available on for purchase: Armenian Lace Armenian Needlelace and Embroidery: A Preservation of Some of History's Oldest and Finest Needlework Mediterranean Knotted Lace (Milner Craft) The Cult Of The Needle - 1915 Reprint This is a beautiful technique and Priscilla Publishing was a major name in needlework a century ago. It's great that these titles are being reproduced now. A little piece of history.

36 Pages. Armenian lace is a stunning ethnic art form, from an ancient land and people - it is remarkable that this beautiful work survived the Armenian genocide that occurred during WWI! Very little is known about this lace, it is unlike the more well known needle laces from Western Europe. Using a simple needle and thread, the worker weaves a wide variety of lace edgings and fine, delicate doilies that are unlike any other! The book is filled with wonderful instructions to make this lace - including excellent diagrams and beautiful examples of the finished work. A must have

for lace makers - this beautiful work should not disappear! REPRODUCTION
