Arthur H Hardman : Productive Costs in Cotton Spinning Mills (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Productive Costs in Cotton Spinning Mills (Classic Reprint):

Excerpt from Productive Costs in Cotton Spinning Mills It is an endeavour to evolve, from the divers methods of

costing which are practised in the trade to-day, a complete system of cotton yarn costing, which shall on the one side be sound from an accountancy point of View, having its basis in the account books of the concern and on the other be sufficiently practical to take into consideration all the details and problems of the processes of manufacture, so far as they affect the cost of the product. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
