In a broader sense it illustrates how individual pottery decoration can simultaneously respect tradition and innovate.0 of 0 people found the following review helpful. THE CLASSIC WORKBy J. H. MYERSDover has preserved this classic work detailing the history of the "Rain Bird" and its gradual graphic development and modification in decoration by the Pueblo tribes.0 of 0 people found the following review helpful. Four StarsBy Dylan TsoGood Book

Decorative art that ranks among the most beautiful created by primitive peoples. Endlessly adaptable motifs revolving around the "Rain Bird" motif depicted in 48 plates, 26 in 2 colors. Stunning, immensely useful designs incorporating the "thunderbird" first seen on 18th-century Zuni pottery. Tribal variations. 176 illustrations.
