Lines inside are appropriately spaced and not overbearing. Substantial, serene cover. A beautiful gift for anyone. 0 of 0 people found the following review helpful. Its managed By LizDI love this journal!! But, the only downside, is the elastic that hold the journal shut came off on one side after

having it for about a month. I'm not rough was it either. It sits on my bookshelf until i need to write in it. Other than that, the paper is pretty and the cover is gorgeous. If you don't mind the elastic falling off, then go for it.0 of 0 people found the following review helpful. Love it!By Jennifer MinikenThis is really pretty and it was just what I was looking for.
