Barbara Walker : Quest for Quimper (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quest for Quimper (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. Excellent reference bookBy MackBuilding a CCountry French home, I wanted to learn more about French faience. I was purchasing items and wanted to know the value and history of specific pieces. I would recommend this book for collectors and admirers of Quimper.1 of 2 people found the following review helpful. Wonderful book, great priceBy Annette R. SengI am thrilled with this Quimper book. Great deal on the price very fast shipping.

Join this journey to the flea markets of Paris, the brocantes of Brittany, and into the heart of the city of Quimper, to see hundreds of examples of this distinctive and beautiful French pottery, some of it quite unique and rare. Learn about the history, art, and spirit of the Breton people, as reflected on the pottery from Quimper. Meet merchants, faiencerie

personnel, and museum directors whose history in Quimper goes back for generations. More than 800 photographs bring an in-depth look at the famous pottery, Quimper, and its home, Brittany. An important first for the collector is a chapter of alphabetically-ordered Quimper pottery, presented in photos and text. Definitions are given and price ranges listed, based on 12 years of market-trend observations in the United States, France, and more recently, the Internet.

About the AuthorHusband and wife antiques dealers, Barbara Walker and David Williamson believe Quimper pottery is a surface reflection of the culture of Brittany. They are owners of a group gallery called Antiques Images in Avondale, Pennsylvania, where Walker specializes in Quimper pottery and Williamson in cameras and photographica.
