I have several of her books and tools. 0 of 0 people found the following review helpful. Great quilting book if you love doll quilts! By Carolyn L. Phillips I'm such a fan of Darlene Zimmerman's books, and this one is wonderful if you like small quilts! 1 of 1 people found the following review helpful. Quilt book By Sheila Bossom Seasonal themed miniature quilts, most can be made in a day. Includes practical tips and basic quilting instructions. Miniature Baltimore, Christmas Tulips, Butterfly Garden, Patriotic patterns included.

Using the tips and techniques provided in this book, quilters of all skill levels will learn how to create miniature quilts enjoyably and simply - and without an exorbitant amount of time required. Quilters can usually cut, piece, quilt and

bind a miniature in a day. The author leads quilters through more than 35 miniature quilt designs following the change of seasons. Colours and designs mimic the decor, the holidays and the occasions occurring throughout the year. Readers are provided with basic cutting and assembly information, step-by-step instructions, and also tips on choosing and organising fabric, drafting their own designs and applique basics. Features: Easy step-by-step instructions for creating quick miniatures; More than 35 designs for all seasons; Completely illustrated in full colour.
