Jean Woolston-Hamey : Quilling: Desert Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilling: Desert Flowers:

Another fabulous collection of twelve beautiful Australian desert flowers. The collection includes some of the lesser known Australian natives, such as the Native Orange which is a bush tucker food with an exquisite flower. Each flower is designed to be framed and displayed, but the author has also provided for each flower a miniature version which can be used on gift cards.
