**Adela Meadows : Quimper Pottery: A Guide to Origins, Styles, and Values** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quimper Pottery: A Guide to Origins, Styles, and Values:

0 of 0 people found the following review helpful. Five Stars By KerryB Just exquisite. 31 of 31 people found the following review helpful. The most thorough and best presented book on this subject. By Edward J. Keith The presentation of Quimper Pottery in this book has never been equaled. The book covers all aspects of Quimper Pottery in a logical and easy to understand manner. The photographs are exceptional. No other book in the field combines such completeness, organization and graphical excitement. A must have book for anyone interested in this subject or just curious. 1 of 1 people found the following review helpful. Great for research and history of the pottery By D. Raitz This book is quite detailed in the history of the Quimper factories and their owners as well as the region itself. Every page has multiple large color pictures and is quite enjoyable to look at. I would highly recommend it.

Entertaining and informative, *Quimper Pottery: A Guide to Origins, Styles, and Values* provides a comprehensive look at this centuries-old French folk art and its history. More than simply a guide, this book is a sharing of knowledge that actually teaches how to assess the age, authenticity, and value of Quimper pottery. Painstakingly researched, this new work boldly corrects several long-standing misconceptions about Quimper pottery and is destined to become the definitive book on the subject. Beginning with a thorough briefing of the background and traditions that make each piece so unique, this outstanding book features over 500 color photographs showing the development of Quimper pottery from ordinaire to extraordinaire. Also included are sections profiling the artists responsible for many of the designs, as well as invaluable, detailed advice on how to care for and enjoy a collection of art pottery.

About the Author Adela Meadows has been involved with antiques since the 1970s. She and her husband, Mark, are owners of The Meadows Collection, based on the north shore of Lake Tahoe, California.
