By popular request, pattern artist Angie Grace brings you a close-up look at 50 of the compellingly curious design motifs featured in Quirky (Angie's Patterns Volume 14.) In this special edition companion book you'll find winding whirls, twining twirls and delightful doodads, all presented in Angie's unique and whimsical pattern art style. Artwork is printed on one side of the page only and has been drawn with crayon and wide tipped marker artists of all ages in mind. Looking for something more challenging? Personalize your coloring art even further using your favorite marker shading or tangle-style ink pattern techniques!
