Pat Hammond : Ramsay's British Model Trains Catalogue before purchasing it in order to gage whether or not it would be worth my time, and all praised Ramsay's British Model Trains Catalogue:

0 of 0 people found the following review helpful. A must have catalogueBy Bob GruenhagenExcellent source of information. Currently in use to catalog estate values of a large collection of British 00 gage equipment.A most thorough listing of all manufacturers products to date of publication. In addition to values the book defines identification numbers and data related to production changes and history for locomotives, coaches and wagon stock.
